After Work Party & Silent Auction 2017

Dear Parents,

A number of our students from Year One had the opportunity to meet HRH the Duchess of Cambridge during her brief tour of Luxembourg last week. The students and staff enjoyed themselves very much and I was also able to attend the opening of the new exhibition commemorating the Treaty of London. It is a very detailed and engaging exhibit and well worth visiting.

Our senior students from Year 11, 12 and 13 are now in the middle of examinations and I would like to thank their parents and colleagues who are supporting and encouraging them during this busy time; please do help your son or daughter to revise productively, but also remind them to take appropriate breaks from time to time.

In other school news we welcome Steven Frank back to St George's for his talk on surviving the Holocaust. This is a direct and unforgettable experience and deeply moving. If you have time on Thursday evening, please do consider attending his talk at the School at 6:00pm.

Finally, the After school party held last Friday was a great success with a silent auction and much merriment and entertainment – my thanks to the Friends and all colleagues who supported and enjoyed the event. Our focus now moves to the Summer Fayre on the 17th June with the expectation of another very successful day full of fun and laughter enjoying the St George's community.

With my best regards,
Dr Barkei

IMPORTANT: Unauthorised Absences

During the holiday periods and around Bank holidays, we have noticed that some parents are taking students out early, or returning late. Please note that under Luxembourgish law the school is unable to authorise these periods of absence.

Please do not ask the school to release your child early on a given day, so that you can catch a flight, or avoid traffic, as we are not permitted to do so.

We understand that there are some genuine cases of sickness or doctors' appointments during these times. Please ensure that these requests are accompanied with an appointment slip for the school's records.

Important for Students to Wear Sunscreen in School

The lovely Summer weather has finally arrived. Please note that children need to have sunscreen applied before school. The (younger) children will now need to wear a hat during their playtimes. If they need to reapply sun cream they need to know how to do this themselves as members of staff are not permitted to do this for them. Thank you for your understanding.

Year 6 Evolution Project

Year 6 Schengen have had lots of fun learning about evolution. The class have produced beautiful booklets, which showcase their outstanding work. They have explored a range of topical vocabulary and have studied evidence of animal and plant evolution. They have identified behavioural and structural adaptations, which have enabled a species to continue living in a specific environment over a long period of time. Year 6S also presented their learning for a school assembly, which focused on the findings of Mary Anning, Charles Darwin and Rosalind Franklin. Their performance on stage was both educational and entertaining! Well done to all of you for your enthusiasm and hard work!

Primary Royal News

Eight Year 1 St George's students had the extremely rare opportunity to meet and converse with HRH the Duchess of Cambridge.

Students presented her with a posy of flowers which were accepted with gratitude, HRH asked the students which year they were in, whether they picked out the flowers themselves and when she discovered that one of our students in front of her was called George, she shook his hand and said she was pleased to meet him!

St George's is extremely grateful that Catherine, Duchess of Cambridge took the time to talk to the students and accepted their gift.

Students were extremely honoured to have also had the chance to speak to Luxembourg's Prime Minister, Xavier Bettel before he joined HRH on her tour of the MUDAM.
